MERGER ANNOUNCEMENT

Matrix Mobile Inc. is pleased to announce that we have entered into a definitive merger with Cell Fix Doctors Inc., a leading provider of cell phone and mobile device repairs. This merger will form a new company, Matrix Mobile - Cell Fix Doctors and further strengthen our position in the cell phone and mobile device repair industry. This combined company is anticipated to be the largest third-party repair shop in Winnipeg, Manitoba with five locations.

This merger is the culmination of over seven years of close partnership between the two companies and will bring a wealth of benefits to our customers and partners. Our organizations share common values emphasizing customer service coupled with certified technical expertise. We compliment each other in the key areas of repairs and refurbishing and offer premium quality parts at the best prices available through our wholesale company - Matrix Mobile Parts Inc.

As with all important business decisions, we will work closely with our clients, partners and employees to make the integration process as smooth as possible. The integration of both companies will take effect immediately. Our customers will continue to receive the same high quality service as they traditionally have without interruption. In addition, if you should have any questions or concerns please feel free to reach out to Kyle Jagassar or Kerran Seth.

Matrix Mobile Inc. will continue to operate under that name and is now a wholly owned subsidiary of Cell Fix Doctors Inc.

We're looking forward to introducing you to members of our expanded team over the coming months. We also encourage new customers to participate in supporting us, a local business with strong Winnipeg roots.

Thank you for your part in our journey and for your continued support.

Sincerely,

Kyle Jagassar, COO / Managing Partner

Kerran Seth, CEO / Managing Partner
